RE: New Alternative Education Program Meeting

School corporations interested in opening new alternative education programs in the Fall of 2008 are invited to attend a free informational session from 12:30-3:30 P.M. on Thursday, November 15, 2007, in the Riley Room at the Indiana Department of Education (151 W. Ohio Street, Indianapolis, IN 46204). To register, fax your completed form to Sue Foxx at **317-233-9293** or e-mail the information to sufoxx@doe.state.in.us.

The meeting will outline the new program proposal requirements and process, review legal requirements, and highlight best practices. A panel of alternative education students and educators will discuss essential components and offer practical strategies for establishing an effective program. It is suggested that a school corporation team (administrator, teacher, board or community representative) attend the meeting. The agenda is listed below. Space is limited to the first 50 registrants.
